N

IKO Conveyors is a leading supplier of versatile Conveyor Systems and Sliding Industrial Door Hardware solutions.

We offer customized solutions across a range of industries and applications. Our overhead monorail conveyor system is designed to suit most working environments, with options to configure as chain-powered or low-cost alternatives to power and free systems, particularly in lean manufacturing. With automatic switches, dual tracks can be side-shifted to maximize storage space. NIKO Conveyors boasts six profiles that can accommodate loads of up to 4,400 lbs.

With a complete range of track sections, support fittings, trolleys, turns, and switches, these components can be assembled to produce a wide variety of modular design products. Below are some of the offerings:

- Manual Overhead Conveyors
- Suspension Systems
- Festoon Cable Supply Systems
- Industrial Barn Door tracks and fittings
- Lightweight Overhead Cranes

Certifications

NIKO enforces a continuous quality control program and operates under the strict quality standards of ISO 9001, ISO:14001, and EN 1527 certification ranking. Our quality control department is manned with experienced and highly skilled engineers. Statistical process control is performed during the production of every component. Our test lab is equipped with durability test stands, a tensile stress machine, a hardness test machine, salt spray test chamber and other laboratory equipment.

NIKO ... Quality in Motion

EASILY CONFIGURE YOUR COMPLEX HANDLING SYSTEMS

Our range of products include:

- ✓ Powder & Paint Finishing Lines
- ✓ Manual Overhead Conveyors
- ✓ Power Chain Conveyors
- ✓ Power & Release Hybrid Conveyors

Applications

Our wide range of over 10,000 unique assemblies and components enables us to offer custom-made solutions to various industries throughout the United States.

Automotive

Automation

Assembly

Aircraft

Buildings

Food Processing

High Ropes Courses

Material Handling

Packaging

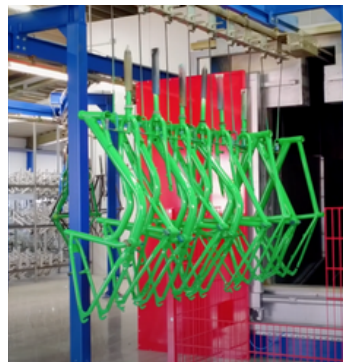

Pharmaceuticals

Train & Coach

Warehouses

With a commitment to developing innovative solutions, NIKO Conveyors helps businesses streamline their operations and achieve greater productivity. As a leading provider of overhead conveyor and track systems worldwide, NIKO Conveyors is dedicated to driving industry advancements and exceeding customer expectations.

CONTACT

Whether you're looking to expand your current system or start from scratch, NIKO Conveyors has the expertise and solutions to help you achieve your goals!
